# **Annual School Plan**

2019-2020

#### I. School Mission

The mission of the Tung Wah Group of Hospitals in education is to provide comprehensive and multifarious services to children and young people to enable them to exert their full potentialities and, eventually, to serve the community. To this end, we are committed to achieving an all-round development in our young generation through the provision of a congenial learning environment.

We devote ourselves to nurturing our students various potentials and abilities, so as to equip them well for a fast-and ever-changing future. We lay emphasis on developing in our students the capability for independent thought and on fostering a forward-looking attitude towards life, that they may acquire the right values to serve the society and the country.

We champion the professional enhancement of our teachers, and we cherish team spirit. Ceaselessly we endeavour to raise the standard of our teachers and to improve the School's teaching and learning efficacy. We aspire to establish a fine partnership with the parents and community alike, so that we can all work together towards the students' growth and development.

#### **II. School Goals**

- 1. To enhance learning and ability
- 2. To edify self and others
- 3. To proffer whole-heartedly
- 4. To serve the community
